Re: 2019 Season Audition Information

Dear Audition Applicant,

Thank you for your interest regarding an orchestral vacancy for the 2019 season of the Des Moines Metro Opera. Please refer to and read carefully the complete packet of materials for specific audition information and orchestral excerpts.

Our Artistic Director Emeritus, Dr. Robert Larsen, founded the Des Moines Metro Opera (DMMO) in 1973. The DMMO is a non-profit, professional opera company dedicated to bringing world-class opera productions and vital performing arts education to our region. Since its inception, the DMMO has auditioned and hired its own independent festival orchestra. David Neely currently serves as Music Director and Principal Conductor. Because of the DMMO's favorable schedule, extraordinary national reputation of the company, excellent repertoire, distinctive programming, and high artistic quality, it is possible to engage the very best of professional orchestral musicians. These musicians travel from all over North America to play in the Des Moines Metro Opera Orchestra. A great majority of our orchestral musicians perform the remainder of the year with professional orchestras that typically do not have a summer season. Many players return to our festival year after year and have the potential to be promoted through our probationary / tenure ("Regular Member Status") process.

The DMMO summer festival takes place on the campus of Simpson College in Indianola, Iowa. Most members of the company are in residence there for the duration of the season. Indianola is a rural suburban community of approximately 15,000 people located 12 miles south of Des Moines (metro area population: 600,000). The college and small-town atmosphere of Indianola is friendly and relaxed, with ample opportunities for recreational and cultural activities, dining, and shopping. All of the DMMO's mainstage operas take place in the Blank Performing Arts Center Theater on the Simpson College campus. This contemporary style, 467-seat theater has a combination thrust and proscenium layout with a relatively large orchestra pit. Second Stages Series productions are typically performed in various venues around the Des Moines metro area.

The 2019 DMMO season for the orchestra will run from June 17 to July 21. A complete schedule of services will be sent out to DMMO Orchestra members in the spring. It will include approximately 15 performances and 14 rehearsals for the mainstage productions. Musicians will be contracted only for the number of services needed. Mainstage repertoire will be *La Bohème* by Giacomo Puccini; Leonard Bernstein's *Candide*; and *Wozzeck* by Alban Berg. There is also the possibility of additional work with Second Stages Series productions and the "Stars of Tomorrow" concert. Chamber music concerts are held each season. Participation by orchestra members for chamber concerts is strictly voluntary with no compensation. These concerts offer members of our orchestra another opportunity to get better acquainted with colleagues while playing great literature encompassing a variety of musical styles.

Wages and conditions of employment are governed through a collective bargaining agreement between the Des Moines Metro Opera and the AF of M Local 75 in Des Moines. The 2019 minimum contract rate per service for a section player will be \$113.78. Principal stipends are 22% above the minimum contract rate. When applicable, overtimes and any doublings are paid in addition to the given per service rate. Total summer earnings for a section player who is contracted for all three mainstage shows during the 2019 season (with no overtimes or doublings) will be approximately \$3,298. For a principal player contracted for all three mainstage shows (with no overtimes or doublings), the approximate earnings will be \$4,025.

Air-conditioned dormitory housing is provided by the company at no cost to an individual contracted musician traveling from over 100 miles away from the Simpson College campus. No children are allowed to reside in the dorms. Alternative housing is also available (including units for contracted musicians' families) on a limited basis at a very reasonable cost charged to the occupants.

Musicians whose permanent residence is more than 25 miles from Indianola, Iowa, shall receive one travel stipend payment per season of twenty-five cents per mile up to but not exceeding the maximum payment of \$106.03 (2019 rate). The mileage will be determined according to the most expeditious travel route as specified on programs such as MapQuest or Google Maps.

Please note the following as it pertains to your particular instrumental vacancy:

The deadline for submitting all audition materials to the DMMO is January 10, 2019.

All applicants will be notified of their audition result or receive an update by April 1, 2019.

Section Cello (two positions), Principal Oboe, Principal Bassoon, Section Second Trumpet, and Principal Timpani vacancies: These are all core orchestra positions. Audition winners will go through a two-year probationary process before the possibility of earning Regular Member Status with the orchestra. *All audition applicants are required to indicate in their submission materials the specific position(s) for which they are applying. This is particularly important when multiple vacancies occur within a section of the orchestra. If the candidate provides no specification as to position(s), the audition packet will be automatically disqualified.*

Please note: The person selected for the **Principal Timpani** position must be able to provide his/her own instruments and transport them to the venue.

We think you will find the DMMO festival a pleasant and musically rewarding way to spend a few weeks of your summer. We look forward to receiving your application packet!

Sincerely,

Mark Dorr
