

**Job Description:** Sound and Video Intern  
**Reports To:** Sound and Video Supervisor

### **Summary:**

Des Moines Metro Opera is a major summer opera festival located in Indianola, IA. The company produces 3-4 new productions each season in a summer repertory schedule, presented within the intimate 467-seat theatre at the Blank Performing Arts Center. Our 52<sup>nd</sup> season includes a rental production of Rossini's *The Barber of Seville*, a new production of R. Strauss's *Salome*, a new production of Debussy's *Pelléas & Mélisande*, and a new production for the world premiere of Damien Geter and Lila Palmer's *American Apollo*.

At Des Moines Metro Opera, the Design & Production Internship is a concentrated nine-week training and work program. Over the nine weeks interns participate in talkbacks with directors, designers, and production staff. Interns also attend several classroom workshops including refining a resume and portfolio, networking, websites, freelancing, and production contracts; as well as receive hands-on instruction in skill-based workshops which include rigging for the stage, welding, and stage painting. All the while interns are working alongside 50+ staff and design members from professional theatre and production companies, helping interns expand their professional network of contacts.

### **Principle Duties and Responsibilities:**

- Work under the Sound and Video Supervisor to help set up all sound and video equipment including but not limited to headset systems, video monitors, projectors, media servers, Stage Management consoles.
